7D simulator cinema brings you the newest technology in Virtual Reality. Instead of watching a movie, you are actually part of it! You feel what you see as entire Simulator Platform moves accordingly to what is happening on the screen as you watch any of our movies with interactive 3D glasses. At the same time over 7 different special effects kick in that make our movie experience even more ???real??? and exhilarating. Real Snow, Water Sprinkles, Burbles, Smoke, Aroma, Wind, Strobe Lights, Fire Simulator, Moving Seats
