A1 Boarding Kennels and Cattery located 5 miles from Doagh village is a quality, family run business committed to ensuring your pet is cared for to the highest of standards. As we understand how worrying it can be for pets and their owners to be separated, we have deliberately restricted our kennel numbers and cattery to ensure that your pet receives the individual stimulus that he/she deserves. We find your pet's trust is more quickly attained by our more personal approach. Our aim is to have every animal just hoping to see us on their next visit. We are proud of our facilities and would actively encourage you to visit our kennels and cattery at any time. Your pet's comfort and wellbeing is forefront at A1 Boarding Kennels and Cattery.
