Our florist studio is dedicated to designing abundant wedding flowers, blended with an impeccable wedding planning service, to make your wedding or event truly extraordinary.

At Auburn Amore, we celebrate love and diversity and are advisors in planning multicultural weddings.

Apart from creating wedding flowers, and planning weddings, we also plan and manage events. Working with corporate brands, to design editorials, floral installations, and corporate launch events.

With our expertise and attention to detail, we curate unforgettable experiences for our couples and corporate clients in the Midlands, Cotswolds, London, and Europe.
