Established over 30 years, the company has been a distributor for Istobal truck, van and car washing systems for 20 years. 1st in Ireland to supply self service jet washes. The company also distributes EDGE mobile pressure cleaners, floor sweepers and scrubber/dryers. A range of secure static self service cabinet washes is manufactured locally as well as a unique range of detergents and waxes. Contract hire and income share are available in addition to outright purchase on many models. A major c
