#SBS winner Oct 2013 DH Business Services have been supplying Cash Registers and Systems for over 25 years. At DH Business Services we supply hospitality EPOS solutions to suit and cater for any business type. Click the links to view our range of EPOS systems, or contact us for a tailor made quote. In 2005 Allen Hume took over the running of the DH Business Services. As the Business quickly increased DH Business Services obtained a dedicated team of Engineers and Specialists to assist and support customers. A new range of Touch Screen EPoS Systems was introduced from suppliers including ICR, Samsung, SAM4s, Quorion, CAS and Metrologic. DH Business Services specialise in Stand-Alone and networked systems, Scanning systems, Stock Control Solutions and Weighing Scales, either stand alone or networked. The business obtained additional premises with a purpose built showroom, store and training facility in Enkalon Business Park Antrim. The Comber & Antrim based company now supply cash registers, touchscreen systems, networked EPoS systems, wireless systems, cashless systems, tailor-made systems at a budget to suit any business on either a rent, buy or lease basis. Office furniture and stationery is also available at both business locations, with trade prices available and same day delivery. The new sales team and Engineers at DH Business Services have great plans for the future were you will be well catered for. Do keep in touch with this web site.
