DS Executive Service is a professional and luxury chauffeur service, established in 2005 by Mr. Darren Smith. Since then the Company has been providing clients with a high end Executive Chauffeur Ground Transportation Service. Darren has over 25 years in the tourism and hospitality industry and has extensive experience in ensuring that all clients receive excellent customer service. We are proud of our flexibility and ability to service clients across the Island of Ireland and further afield. All our clients can be assured that wherever your destination, our experienced chauffeurs will get you there, on time and relaxed.
