

Erne Rope Access

Address	61C Lynda Meadows
Contact Person	
Mobile Number	07789 717478
Email	cd@erneropeaccess.com

Rope Access is a form of specialised rope techniques that allows experienced workers to access hard to reach locations using methods derived from climbing and caving. Rope access enables access to areas that are not easily accessed by traditional methods such as the use of scaffolding and cherry pickers.
