The Meat Merchant is a way for you to enjoy the supreme quality of Hannan Meats at home at at wholesale prices. Don't get us wrong, we don't mean it's cheap, we just mean that so many people have asked us to sell our produce from ou facotry, we've decided to oblige. Our overheads are low so we can keep prices competitive. We're not an ordinary butcher, some might even say we're an extraordinary butcher.
