Drycleaner and Laundry Delivery Service. We do more than wash, dry and fold, we take care of your cloths. Taskon Dry Cleaners is famous for the tender loving care we give to every customer's wardrobe. We come highly recommended by our regular customers and we are glad that our clients are increasing in number as we continue to impress them with our total quality approach to every batch of clothes dropped off at our shop. Our aim is to become the most reliable & environmentally friendly dry cleaner in the area without sacrificing any quality. Do you have a piece of clothing that you love but it's stained or damaged? We are here to help clean and repair your clothes and get them back to their best
