Veritas publications publishes religious education textbooks for primary and post-primary schools. Our primary school textbooks are used in schools throughout Scotland, as well as in Ireland. As well as standard resources such as the Irish Catholic Directory and the Liturgical Calendar, which we publish every year, we also publish a wide range of titles in a number of categories, such as theology, scripture, prayer, spirituality, parenting, counselling, liturgical resources and social issues. Our retail outlets continue this diverse trend by also stocking a wide range of titles in the areas of psychology, Mariology, and homiletics. Together with new titles from leading Christian publishers for whom distributes, we firmly believe that our entire assortment of publications has something for everybody.
