Lisa Woods Hair Salon has been established since March 2011 and has a reputation for great styling, friendly customer care and affordable pricing. A bespoke hairdressing boutique our philosophy is simple, we specialise in fresh up to date versatile styles that are easy to maintain between visits, and are tailor made to the individual. Our trained stylists not only share a passion for hairdressing but also employ meticulous attention to detail ensuring that every cut and colour is second to none and client satisfaction is put above all else. The combination of textures, colours and smart layout within the salon help enhance the warm friendly feel already created by the staff when you step through the door.
